

SANTA JAM 13

Thurs. December 10, 2009

The State Theatre, Falls Church, VA

**A benefit for the homeless, victims of domestic violence
and helping to bring live music to hospitals and to those in most need**

October 2009

Seasons Greetings!

SANTA JAM is an annual charity event to raise money and collect toys for Northern Virginia shelters for homeless women & children, victims of domestic violence and Music To Give, providing live music to children hospitals and others in need.

Thanks to the generosity of local musicians, the event brings people from all over the area together for an evening of great entertainment to benefit local shelters. Santa Jam's wildly popular "**Your Choice Charity Raffle**" allows a winner to CHOOSE from available prizes in order of tickets drawn. Thanks to friends and local businesses who have donated products and services over the years, these raffles have raised thousands of dollars for **Doorways for Women and Families**.

**Would you lend your support to this year's charity raffle by
donating a gift of products or services?**

Doorways has an ambitious mission and it really is amazing how hard they work to be sure the people that Need them stay well and have safe places to call 'home' temporarily. I have attached information about **Doorways** as well as a **Santa Jam** flyer.

With your support, we can make a difference in the lives of local women and children. On their behalf, thank you for taking time to consider this request. *Naturally*, recognition of your generosity and community support will be publicized in advance and acknowledged at the event. I hope that we can count on your support.

Warmest regards,

John Perry
